Dear Harold,

I've been very busy the last few weeks securing a job. Fortunately I'll be working steady at the Diplomat Hotel in Hollywood. I'll be working at nights. As a result Karen will do all she can to check the Courtney show. Nothing to my knowledge has been said about Kent, as of yet. I'm enclosing an article which may be of interest. I should be able to get to that subsciption for you by next week. There was about 30 seconds (on television) devoted to the fact that Garrison's case against Shaw will be forthcoming. Could you let me know when the trial might start

Thanks

Ross
